

VERMONTER'S DON'T BULLY CAMPAIGN

YES! Tell Governor Douglas that I support Outright Vermont and the VERMONTER'S DON'T BULLY CAMPAIGN.

Our goal is to end bullying in Vermont's schools statewide through education and anti-bullying presentations to students, teachers and faculty. In Vermont, 17% of all 8-12 grade students were bullied or harassed in the past 30 days and 34% of all LGBTQ queer youth (grades 8-12) were bullied or harassed in the past 30 days*. Vermont can do better. Please sign this petition to tell Gov. Douglas and the statehouse to support anti-bullying workshops for all Vermont students every 3 years.
